

Passport DentalSM

Take your smile on the road

No matter where in the world you roam, Passport DentalSM gives you access to great care through your dental plan.

In the states

Wherever you go, your dental plan benefits go with you. Our network, Delta Dental, lets you access more than 230,000 office locations and three quarters of all dentists across the country. You can choose any licensed dentist, but if you work with a dentist in the network, you'll get great care and better plan benefits.

To find a dentist in the U.S., visit modahealth.com and click Find Care. Then, search for dentists in all other states. Or, you can call AXA Assistance toll-free at 888-558-2705, 24 hours a day, seven days a week. Just say you're a Delta Dental plan member. An operator will connect you with a dentist in a flash.

Beyond borders

Whether you're traveling to Australia or Zimbabwe, AXA Assistance is there to help you find quality care. Call them collect at 312-356-5971 any time and tell them you're a Delta Dental plan member.

Please keep in mind that dentists outside of the U.S. are not considered participating dentists. Nonparticipating coverage limits will apply.
