Quality coverage for your smile

Healthy teeth are happy teeth. With the Delta Dental of Oregon plan, you'll have access to quality in-network dentists.

Dental benefit highlights

Our Delta Dental of Oregon plan connects you with great benefits. You can count on:

- Freedom to choose a dentist
- No waiting periods for preventive care
- Savings from in-network dentists
- Cleanings twice a year
- Predetermination of benefits if requested
- Fast and accurate claims payment
- Superior customer service

Our dental plan also includes useful online tools, resources and special programs for those of you who may need a little extra attention for your pearly whites.

Delta Dental networks go wherever you go

The Delta Dental of Oregon plan comes with the Delta Dental network. It includes thousands of dentists with statewide and national access.

You can access the Delta Dental PPO or Delta Dental Premier network with your plan. However, your benefit dollar goes further on the Delta Dental PPO™ Network.

Delta Dental Premier® Network

- Broader choice of providers
- The largest dental network nationally and one of the largest in Oregon
- Access to more than 2,300 providers in Oregon and over 153,000 dentists nationwide

Save when you stay in network

In-network dentists agree to accept our contracted fees as full payment, which means they don't balance bill. This can help you save on out-of-pocket costs. If you see providers outside the network, you may pay more for care.

Delta Dental PPO™ Network

- More cost control
- One of the largest PPO networks in Oregon and nationwide
- Access to more than 1,200 participating dentists in Oregon and over 114,000 dentists nationwide

How do I find a dentist in the network?

To find a participating dentist in your area, visit Find Care on modahealth.com/pers.

Extra care!

We want to make sure all our members receive the care they need. That's why we offer two special programs just for those who may need extra dental care.

Health through Oral Wellness®

When it comes to oral health, we know some people need more care than others. Delta Dental of Oregon's Health through Oral Wellness® program offers extra benefits to members who have a greater risk for oral diseases.

The program uses an oral health assessment to find out your risk of tooth decay, gum disease and oral cancer. Based on your risk score, you may qualify for additional cleanings, fluoride treatments, sealants, and periodontal maintenance.*

With extra benefits and related care, you can:

- Take charge of your oral health
- Prevent oral health issues before they happen
- Access resources to manage your oral health
- Learn how to achieve and maintain better oral wellness

Ready to get started?

Follow these simple steps to see if you qualify for extra benefits with the Health through Oral Wellness® Program:

1. Visit modahealth.com/pers to learn more about the program and take a free oral health risk self-assessment. You can choose to share your results with your dentist to start the conversation.

2. Talk to your dentist about the program. If they're not registered, ask them to call our toll-free Health through Oral Wellness provider line at 844-663-4433. Once registered, they can perform an oral health risk exam and can let you know if you qualify.

3. To look for providers registered with the program, go to modahealth.com/pers and choose Find Care. Dental providers registered with Health through Oral Wellness will have a **badge icon** next to their name that looks like this:

Oral Health, Total Health

Seeing your dentist on a regular basis and keeping your mouth healthy are critical to keeping the rest of your body healthy. The Oral Health, Total Health program offers individuals diagnosed with diabetes additional cleanings throughout the year. To find out more, contact our dental customer service.

Healthcare lingo explained

Balance billing

Charges for out-of-network care beyond what your dental plan allows. Out-of-network providers may bill members the difference between the maximum plan allowance and their billed charges. In-network providers don't do this for covered services.

Calendar year benefit maximum

The maximum dollar amount a dental plan will pay toward the cost of dental care within a calendar year.

Coinsurance

The percentage members pay for a covered dental service after they meet their deductible, if any. For example, they may pay 20 percent of an allowed \$200 charge, or \$40.

Deductible

The amount members pay in a calendar year for care that requires a deductible before the dental plan starts paying. Disallowed charges do not apply toward the deductible.

Maximum plan allowance (MPA)

MPA is the maximum amount that we will reimburse providers. A non-contracted provider may bill a member for any amount over and above the MPA. This may leave members with a high out-of-pocket balance.

Out-of-pocket costs

What members pay in a calendar year for care after their dental plan pays its portion. These expenses may include deductibles, coinsurance for covered expenses and cost of care after the calendar year benefit maximum has been reached.

PPO dentist

A dentist contracted in the Delta Dental PPO™ network. By choosing a PPO dentist, members' out-of-pocket expenses will be less. As PPO dentists contract with us at lower rates, the savings can be passed on to you.

Premier dentist

A dentist contracted with Delta Dental who has agreed that their charges will not exceed their contracted rate with Delta Dental.
