■ $0

You pay towards coinsurance
■ $295

Your plan pays
□ $1,180

Total cost
$1,476

Individual Contribution This Year

Viewing contributions   ①
100% ———————————→ 20% ————————————————————————→ ②

Before this procedure
■ You have paid **$1,803** towards your Individual Contribution.

With this procedure *
■ You would pay **$295** towards your ENT - Tonsillectomy & Adenoidectomy.

Your Deductible
① Your deductible is **$1,600**. Before your deductible is met, you pay 100% of your procedure cost. After your deductible is met, you pay 20% coinsurance until your out-of-pocket max.

Your Out-of-Pocket Max
② The most you can pay this calendar year is **$6,400**. After this amount, your insurance will pay 100% of your procedure costs.

 # Excluding copays, future, or pending claims

Use the Healthcare Cost Estimator to:
- Browse or search by procedure to get cost estimates based on your health benefits and usage
- Compare costs across providers and clinics
- Use the cost breakdown feature to see how much you have spent and how much you have left to spend before you meet your out-of-pocket maximum
- See how having a procedure will change your balance
- And more...

Enjoy exploring your options.
